(the "Company")

## UPDATE RE LEGAL PROCEEDINGS AND ACCOUNTS

Dawmed Systems PLC's operating subsidiary company, Dawmed International Limited ("Dawmed International"), announced on 15 December 2006 that it had issued legal proceedings against a trade debtor. Upon the advice of Counsel, Dawmed International has decided to proceed directly to Trial as the most expeditious route to resolve the action against the trade debtor to recover the outstanding debt and to achieve the specific performance of the debtor's obligations under the contract.

Since the AIM Rules require that the Annual Report and Accounts of the Company shall be issued within six months of the Company's financial year end, the Company will announce its Final Results for the year ended 30 September 2006 on or about 21 March 2007 and post the Accounts by 31 March 2007 as required.

Dawmed International will make the appropriate provision for the amounts outstanding and due under the contract from the trade debtor in the relevant year in its Accounts for the year ended 30 September 2006. This will have the effect of converting what would have been a Group pre-tax profit of circa. £136,000, representing an increase of circa. 400% on the previous year and in line with the Directors' expectations, to a pre-tax loss of circa. £71,000.

The Directors remain confident of the Company's prospects of success in the legal action and in its prospects for the current financial year.
